## WHAT TO EXPECT

*A professionally produced, high quality athletic event... from start to finish!*

When you arrive at packet pick up, you'll be assigned a bib number as you check in. Your bib number will have a timing chip attached to the back that will automatically keep track of your race time. Once the race starts, it will also allow spectators at the event or even friends and family at home to see your location on the course map of the free, easy to use Elite Events Tracker App! You do not need to carry a phone for live tracking to work.

After picking up your race bib, you will then proceed to the t-shirt table where you'll get to choose between a high quality colorful gender specific tech t-shirt or a soft cotton tank top.

Before the race, ample announcements will be made to warn you that the race is about to start. Lively music will get you feeling ready to run!

Once the gun goes off, you'll run over timing system mats a few different places on the course which will keep track of your time for that segment.

Several water stops along the route will keep you hydrated and ready for a strong push to the finish!

Smile as you run down the home stretch because our official race photographer and videographers will be waiting to capture your final steps. Wear your huge finisher medal with pride and take a picture in front of the Elite Events backdrop! Your free race photos and finish video will be online in just a few days.

Once finished, you'll enjoy a variety of snacks and refreshments as you instantly view your results and split times via the free Elite Events Tracker App! Don't forget to check your friends' results too. You can even "claim" them in your app before the race and receive Push Notifications to your Smart Watch or cell phone as you run.
